The bank balance is \$3514.67, with a book balance of \$2579.67. The difference is due to 2 outstanding cheques, 1 to MAAC for \$75.00 and the other to Weed & Feed for \$860.00. We now have 49 paid up members with 3 juniors and 2 honorary members.

C.F.I.'S REPORT: Presented by Brian Fisher. He reports that there is a group of new students on the horizon. Student Jason Matheson was assigned to Wilf Hill

MAINTENANCE & PROJECTS: Do to time constraints, Byron MacLean will not be able to scrape the paint from the clubhouse.
Byron estimates that by the end of spring he will have enough brick to do the lower half of the outside of the clubhouse. He hopes to begin the job by mid summer.
The heaved patio stones have re-settled and will be looked at again in the fall.
Mike Siemonsen has replaced the windows on the south side of the clubhouse.
We need a person to organize the field rolling work party.

OLD BUSINESS: The winter/spring fun fly was a great success. Over 20 members and guests participated, including a short visit by Ernie Armstrong. Although the weather was cool and fairly windy, a number of members did fly both gas and electric airplanes. The hot chicken and sausages with soft drinks were enjoyed by all. Amanda Smith was awarded the attendance prize of a "Simple Cyclor".

NEW BUSINESS: Gary Droppo has resigned from the position of club Vice President. Jason Matheson has graciously accepted the position. Byron MacLean found that it would be more cost effective to rent the "Porta-Potties by the month rather than for each event. One porta-pottie costs \$155.00/mo, and two would cost \$255.00/mo. Mike Siemonsen put forward a motion to have Rolly Siemonsen cut the grass at the field for the 2006 season. Mike also suggested a 5% increase in pay for this service. Seconded by Cliff Smith. Approved by a show of hands
CD, Byron MacLean stated that the "fathers day fun fly" sanction is in at MAAC. He wants to add a line to the web site description of the fun fly to include that a prize will be presented to every competitor. Mike and Rolly Siemonsen have offered to be on the fun fly committee with Byron. George Thompson donated four trophies for the fun fly. Richard Barlow is now the president of MAAC, and Claude Melbourne is the new zone director with Rolly Siemonsen being one of the tree assistant directors.

WORK-SHOP: Martin Irvine demonstrated his techniques for cutting and working with foam in modeling. He also displayed his foam based Schneider Cup racer on foam floats.
