C.F.I'S REPORT: Presented by Cliff Smith. Cliff is still waiting to make contact with Brian fisher, to get whatever documentation he may have. Jim Thompson reported that he has the master copies of the manuals and student books, but that they should be updated to include electric aircraft and helicopters.

MAINTENANCE & PROJECTS: Russ Wood may be able to get a roller for the spring field rolling. Gary Droppo made a motion that we pay Rolly Siemonsen \$1260.00 for this years grass cutting. Motion seconded by Chris Driver. Motion was carried.

OLD BUSINESS: The March 4, 2007 zone auction was very good for it's first year. The swap meet section was probably the better part of the event. Byron brought up the possibility of having two events, one in the spring and one in the fall. It was felt that if we have another zone auction, a better way of displaying the articles and co-ordination of the auctioneers was needed. The club has decided to continue with it's own yearly February auction. Those who wished could still participate in the zone auction. Indoor flying will commence on Friday,

March 23rd at the Ernestown high school in Odessa from 6 PM. Till 10 PM. There is a fee of \$5.00 per person per session, and clean indoor footwear is required as it is in the school's gymnasium. The changes to the schedule for the indoor soccer dome are as follows. March 25th-cancelled, April 1st 8 till 10 AM, April 8th, 10 AM till 12 PM., April 15th, cancelled, and April 22nd 10 AM till 12 PM. The members who went on the Trenton airpark visit organized by Gary Droppo had a great time. The completed Halifax bomber is amazing. Models donated by some of our members are also on display.

NEW BUSINESS: Byron will order the porta-potties for the season. He will check on wash-up facilities with them for June and August. Steve Haynes stated that he may be able to get a discount on the porta-potties. Rolly will call to arrange for the weed and feed service. Chris Driver has the opportunity to get publicity for our club's fun-fly in the Whig-Standard. A financial auditor is needed, and Bill Hetherington's name was repeatedly mentioned. Rolly will contact Bill to see if he is agreeable. A motion was made by Wilfred Hill for up to \$50.00 to fund a club "Hot Dog" fun fly on Sunday March 25, 2007. Seconded by Martin Irvine. Carried. A hot dog lunch will be provided, and Cliff Smith will supply soft drinks. The event will begin at 9:30 AM.

WORK-SHOP: Jason Matheson will be asking the members about what they want to see at our workshops, so that he can get them going again.

Motion to adjourn by: Chris Driver, Seconded by: Cliff Smith
