

KINGSTON RADIO CONTROL MODELLERS

MINUTES of the Regular Meeting
Monday, June 9th, 2008

Called to Order: At the KRCM field by Byron MacLean @ 7:29 with 15 members & guests.

SECRETARY'S REPORT: Presented by Wilfred Hill. Rolly Siemonsen pointed out that in old business Bill Patterson did not write the Whig Standard article, but is one of the field owners and past members who made the donation of his R/C equipment.

Moved to accept by: Cliff smith, Seconded by: Russell Wood

TREASURER'S REPORT: Presented by Rolly Siemonsen. We have a book balance of \$4344.35, and a bank balance of \$4788.77. The difference is due to outstanding cheques to Hogans Sanitation, Mike Siemonsen for sod and Fun Fly prizes. The club has 75 signed members. The "Poly John" has arrived and is in use but we have not been invoiced yet. The grass cutting and field taxes have not been paid. Mike Siemonsen put forward a motion for \$1450.00 for grass cutting that was seconded by Gary Droppo. Motion carried.

Moved to accept by: Mike Siemonsen Seconded by: Gary Droppo

C.F.I'S REPORT: Presented by Cliff Smith. Two sets of wings were to be presented but neither recipient was present. Steve Morton was to receive his pilots' wings and Gary Vincent his instructors' wings.

CD's REPORT: Mike Siemonsen reports all is going well. He is going to institute a pilot choice award in place of the scale event. The Whig Standard was out on Thursday and took pictures. There will be a 12-inch column in the paper before the Fathers Day fun fly.

MAINTENANCE & PROJECTS: There are a number of holes around the field that must be filled in before the fun fly. Gord Clifford will take care of cutting the grass in the camping areas.

OLD BUSINESS: Rolly reported on Saturday May 23rd 's work party. The brush around the perimeter of the field was removed with the help of Russell Wood and his brush hog. The patio stones in the pit area were removed and replaced with sod. A "well done" and a hearty round of applause to those who participated in the field clean up.

NEW BUSINESS: Ernie Armstrong is now in a home. Rick Naylor has photographed Ernie's R/C equipment for E-Bay. Rolly will again send out the E-Bay link to the membership via E-mail. The float fly had to be cancelled due to high winds and waves. A future date near mid summer will be announced.

WORKSHOP: Continuing field preparation for the fun fly.

Motion to adjourn by: Gary Gorr, Seconded by: Russell Wood

MEETING CLOSED AT: 8:05 PM.
