OLD BUSINESS: The Zone "G" fun fly was held in Smiths Falls on Saturday, July 26th, and Sunday July 27th. Even though it was cloudy, it turned out to be a great event. Gary Droppo reported that by Sunday, there were 15 turbine-powered jets on site and flying. The Swiss Chalet chicken dinner was served in a nearby hanger. Rolly Siemonsen thanked the club members who helped man the registration desk.

NEW BUSINESS: The 217 chapter IMAA giant scale meet will be held at the KRCM club field on Saturday August 16th and Sunday 17th. This event is open to all IMAA members. MAAC and AMA members are encouraged to fly for a small landing fee. A Swiss Chalet dinner will be available for \$10.00, which includes a quarter chicken dinner, cake, and coffee or soft drink. The event is open to all ¼ scale sized aircraft, monoplanes with a wingspan of 80 inches, and biplanes with

a wing span of 60 inches. Gary Gorr will order the dinners, which will be delivered to the field, and the cake. Cliff Smith will pick up the cake and bring it to the field. Rolly Siemonsen will cook breakfast egg-muffins both Saturday and Sunday. Gord Clifford will again cut the grass in the camping areas, and Rolly will cut the main field. Gary Droppo and Jay Kingston will run KRCM's own 50/50 draw. Wilfred Hill will mount the old "Dawn Patrol" posters on the clubhouse. Gary Droppo proposed a motion, seconded by Rolly Siemonsen that \$100.00 be given to Gord Clifford as a "Thank You" for all the times he has cut the grass in the camping areas. A member mentioned that he saw a small black bear crossing the field road near the entrance gate. Rolly mentioned the upcoming Neat fair coming up in mid September and the Flying Dutchman fly in.
