Club members are encouraged to attend and to participate with their IMAA legal models.
Membership: 84 to date.

Moved to accept by: Russ Wood, Seconded by Calvin Behm.

C.F.I'S REPORT: Presented by Cliff Smith
Wednesday evening & Sunday training continues to go well. Student numbers have dwindled for the month but those still participating are doing well.
Matt Rodmell has offered his assistance as a flight instructor and has successfully completed his INSTRUCTORS test.
Brad Wooldridge, a new member and student this summer has successfully completed his WINGS test. He is not available this evening to receive his wings.

OLD BUSINESS: Byron thanked all those who helped out with running of the Fathers Day & Electric Fun Fly's. Although attendance fore the Electric Fun Fly was down from

last year it was still very successful due largely to sales from the canteen and to a very low overhead.

NEW BUSINESS: Byron introduced new member Douglas Johnston from Gananoque. He is new to the hobby

The ZONE Fun Fly is on the weekend of July 25-26, 2009 at Smiths Fall. There are plenty of prizes for participants and a Saturday afternoon dinner offered by the Shriners Club. Individuals are welcome to volunteer their services during the event. Monetary donations to the Shriners Hospitals are welcome.

Don Fennick, an organiser of the Canada Day Events in Enterprise had asked for pilots from the club to do an aerial display of R/C flying. Rolly & Byron “stepped up to the plate” and flew from the confines of a fenced-in ball field.

Rolly and 4 other club members attended the annual fun fly in Sayre PA.

While at the event approx. 6-8 regulars from the U.S. indicated their intentions to Rolly that they would be attending the IMAA event in August.

WORK-SHOP: Flying till dark.

Motion to adjourn by: Neal McVean, Seconded by Paul Bauder.

Next meeting

Monday, August 17th, 2009, 7:30 PM
at the KRCM club field
