Ricardo Lahaye and Matt Rodmell have successfully taken their "Instructors Wings" tests, and were presented with their wings.

**MAINTENANCE & PROJECTS:** Nothing brought forward.

**OLD BUSINESS:** The "Zone Fun Fly" was a great success with a good turnout of jets. There were about 96 pilots signed up. There were lots of prizes given away. The dinner was "Swiss Chalet" on the Saturday evening. The biggest complaint was the long queue waiting to fly. During the flying shut down between 12:00 and 1:00 PM, on Saturday, the participants and guests were given the opportunity to view the many fine aircraft of "Classic Wings". Later that evening, Byron and a couple other members were given the privilege of examining the many display aircraft up close and at their leisure. A pair of Pitts put on a practice display of great flying. Sunday turned out to be another good day of flying with rain starting at the end of the day.

**NEW BUSINESS:** The IMAA giant scale rally will be held at the club field this weekend, August 22<sup>nd</sup> and 23<sup>rd</sup>. A ¼ scale RC Guys Super decathlon will be raffled off. The event organizers are hoping for a large turnout of 80 plus pilots. All members are encouraged to come on out and participate or come out with friends and family and enjoy the sights and sounds of the event. The event is free to IMAA members but a \$10.00 landing fee can be paid on the day. You can also renew or join IMAA at the event. Rolly Siemonsen will cut the field grass on Friday, and arrange for the second Porta-Potti, and a pump out of ours both before and after the event. Gord Clifford will cut the grass in the camping areas again, and Paul Bauder will do the weed whipping honors. Byron MacLean motioned for \$300.00 for the Saturday evening meal, which will include a roasted pig, corn on the cob, salads, soft drinks, and desert. Gary Droppo seconded the motion. Motion carried. Byron said he might need help to cut up and serve the roasted pig. Cliff smith put forward a motion for \$300.00 to stock up the canteen. Gary Droppo seconded the motion. Motion carried. Cliff said the canteen was "good to go".

Gary Droppo reported that the family of Alf Worrow, who passed away recently, has requested the clubs help in selling Alf's planes and R/C equipment. They have offered the complete package to any club member for \$600.00. They have also listed it on KIJIJI for \$650.00. Gary suggested that if the items do not sell, that the club could hold a mini auction at the September meeting. He and Wilfred Hill would be willing to help run the auction.

Rolly received an E-mail from BFL Canada. It is in regard to insurance to cover non-MAAC sanctioned events, and would offer coverage only in Canada. It would cost around \$10.00 per member. After a number of questions from the members, Rolly decided to inquire further.

**WORK-SHOP:** Flying till dark.

Motion to adjourn by: Dave Fasken, Seconded by: Gary Gorr

**MEETING CLOSED AT:** 8:24 PM.
