

## KINGSTON RADIO CONTROL MODELLERS

MINUTES of the Regular Meeting  
Monday, January 18<sup>th</sup>, 2010

**Called to Order:** By Gary Droppo at 7:40 PM with 20 members & guests.

**SECRETARY'S REPORT:** Presented by Jim Murdoch  
Moved to accept by: Dave Fasken, Seconded by: Cliff Smith

**TREASURER'S REPORT:** Presented by Rolly Siemonsen  
The bank balance is \$6438.60 and the book balance is \$6258.60. The \$180.00 difference is due to an outstanding cheque to MAAC. The club roster stands at 34, with 2 honorary members.  
Moved to accept by: Wilf Hill, Seconded by: Brian Fisher

**C.F.I.'S REPORT:** Presented by Cliff Smith.  
The CFI advised new students that they can find both the Student's Manual and the Introduction to RC Flying on the KRCM website. He invited suggestions to improve the Student Manual. Last year there were 15 students and 7 instructors. The CFI stated that more instructors would be welcome and that experienced KRCM flyers would easily pass the Instructor's test. There was discussion of further editing of the Introduction to RC Flying to include more information on electric-powered models. Martin Irvine offered to review it.

### **OLD BUSINESS:**

Gary Droppo referred to the success of the indoor flying program and the last session at Thompson Drill Hall for which 30 flyers registered. He recommended that non-KRCM participants should be encouraged to make contact with the club.

There will be an Indoor Fun Fly organized by Leading Edge on March 7, with a Pot Luck lunch planned.

**NEW BUSINESS:**

Wilf Hill presented his plans for the Chili Fun Fly to be held on February 14, 2010 commencing at 1000 hrs. A motion was proposed to provide Wilf Hill as the organizer with \$200 funding for the event.

Moved to accept by: Dave Fasken, Seconded by: Cliff Smith

Gary Droppo reported on a mislaid charger after the last indoor flying session and recommended that flyers put their names on equipment because of the similarity in design of expensive equipment.

Byron MacLean outlined the sale of a large quantity of RC equipment before and at the KRCM auction. A list of the Pitts collection from Dale George was distributed. Interested members should contact Byron.

**WORK-SHOPS:**

Rolly Siemonsen: electric-powered, indoor flying ultra-light model

Gord Clifford: methods and materials used in construction of Sky Cart

Rod Levesque: new model helicopters

Motion to adjourn by: Wilf Hill, Seconded by: Erle Jenkin
